## OFFICE OF LEGISLATIVE COUNSEL

Monday - 25 June 1962

| 25X1  | 1 ISW) Talked with Hel   |                             | <b>A</b> 5.7/4 |      |   |                                 |  |
|---|--|-----------------------------|----------------|------|---|---------------------------------|--|
|   | to Representative Daniel J. Flood, concerning th   | e case of                   | 25X1           |      |   |                                 |  |
|   | I gave her the full story on this situation as previously discussed with Colonni white. See Memorandum for the Record.   |                             |                |      |   |                                 |  |
|   |  |                             |                |      |   |                                 |  |
| 25X1  |  | phoned suggesting Tuesday   |                |      |   |                                 |  |
|   | morning for a meeting with the Russell Subcommittee. I indicated this  |                             |                |      |   |                                 |  |
|   | could not be done and suggested Friday morning.  | . Eventually, after salls V |                |      |   |                                 |  |
|   | back and forth, a time was set for 2:00 Wednesd  | ay afternoon.               |                |      |   |                                 |  |
| 25X1  | 3.   | RSA, telephoned             |                |      |   |                                 |  |
| :   | indicating there had been some top level consideration in bibA leeking toward  |                             |                |      |   |                                 |  |
|   | some true of early retirement. He indicated their justification appeared   |                             |                |      |   |                                 |  |
|   | weak and he wanted any thoughts we might have. I explained to him the  |                             |                |      |   |                                 |  |
|   | general attitude as known to us of the Post Office and Civil Service Com-<br>mittees relating to special privilegas for certain groups which disted<br>the general provisions of the Civil Service Retirement Act. In addition,<br>I explained to him our general policy of encouraging retirement when<br>employees are eligible. |                             |                |      |   |                                 |  |
|   |  |                             |                |      | amproyees are evil to .                         |                                 |  |
|   |  |                             |                | 25X1 | Miss Hoppel, I                                  | a the office of Representative  |  |
|   |  |                             |                | 25X1 | Steven B. Derounian (R. N. Y.), called to recei | ve information of possibilities |  |
| of employment for a constituent who has majored in sociology. I gave her the usual information and forms are being forwarded to Derousian's office. |  |                             |                |      |   |                                 |  |
|   |  |                             |                |      |   |                                 |  |
| 1   |  |                             |                |      |   |                                 |  |
|   |  |                             |                |      |   |                                 |  |
|   |  |                             |                |      |   |                                 |  |
| 1   |  |                             |                |      |   |                                 |  |
| 1   |  |                             | 1              |      |   |                                 |  |
